

PCIT International Mini-Conference in Asia and Oceania

Theme: Charting a Course for Growth: Shaping the Future of PCIT in Asia-Oceania

Join us to discover the latest developments in PCIT implementation across Asia and Oceania.

Overview:

The goal of the conference is to share updates on the implementation and training of PCIT in different countries. In particular, we hope to discuss how PCIT is being adapted and implemented in non-English-speaking regions, including:

- the benefits of PCIT despite linguistic and cultural differences,
- implementation challenges,
- training difficulties, and
- creative solutions or adaptations.

Date: December 6th, 2025
